Chapter IX.—Preparation of Paper Books.

Part I—General.

1. The printing of Paper-books shall be in accordance with the following directions:—

(a) the Paper-books shall be printed in the form known as demy quarto, i.e., 54 ems (or 9 inches) in length and 42 ems (or 7 inches) in width;

(b) the size of the paper used shall be such that the sheet, when folded and trimmed, will be 11 inches long and 8½ inches wide;

(c) the type to be used in the text shall be pica type, but long primer shall be used in printing accounts, tabular matter and notes;

(d) the number of lines in each page of pica type shall be 47, or thereabouts, and every tenth line shall be numbered in the margin, i.e., the tenth line will be numbered 10, and the second 10th line 20, and so on;

(e) the stationery required for the Paper-book shall be provided by the office only for the preparation of the Paper-books in Second Appeals.

2. "Editing" the Paper-book shall include—

(i) collecting and arranging the papers required for inclusion in the Paper-book;

(ii) examining and comparing proofs, or, when several copies of a typed Paper-book are prepared, examining and comparing such copies (other than the first copy) with the originals or authenticated copies of English papers or translations where the rules provide for translations;

(iii) the preparation of title pages and indexes; and

(iv) the general supervision necessary to ensure the accuracy of the record and compliance with the provisions of the Appellate Side Rules with regard to the preparation of Paper-books.

Note—The repetition of unnecessary titles in documents should be avoided and formal portions of documents omitted.

3. Every Paper-book shall have attached to it a fly-leaf in the prescribed form, and giving the particulars required by Rule 41.

4. In urgent cases, upon good cause being shown, the Registrar may allow any party to put in such number of typed copies of the Paper-book as he may consider necessary.

Exception.—In an appeal which is to be heard under Order XII, Rule 11, Civil Procedure Code, no Paper-book shall be prepared unless and until an order for the service of notice on the respondent has been made.

5. There shall be inserted at the end of one copy of the Paper-book prepared in every case, and in the following form, a statement in which shall be specified each item of the costs incurred in its preparation by the appellant and the respondent, respectively:—

	By the Appellant.			By the Respondent.		
	Number of pages.	Rate of charge.	Amount.	Number of pages.	Rate of charge.	Amount.
			Rs.			Rs.
Estimating .. Translating, etc. (as in Rule 46 or Rule 50 as the case may be).						

6. In the case of Appeals, other than Appeals from Appellate Decrees, any surplus remaining after deducting the costs actually incurred by each party from the amount deposited with the Accountant of the Court may be refunded upon request to the party by whom the deposit was made, or to the Advocate entitled to act for such party.

7. The costs incurred in the preparation of the Paper-book shall be costs in the appeal, unless as to the whole or any portion thereof the Court which hears the appeal shall otherwise direct.

8. The Registrar may, upon application and upon sufficient cause being shown, enlarge the time prescribed by these rules for doing any act to be done under their provisions. An application for enlargement of time must ordinarily be made before the expiry of the prescribed time and be supported by an affidavit of facts. The Registrar may also, upon application and upon sufficient grounds proved by affidavit, exempt any appellant or respondent from the operation of the whole or any part of these rules, or may make such special order as he deems fit as to any matter with which these rules are concerned. In case any affidavit to be used under this rule is sent from the maffasal and is in the vernacular, it shall be accompanied by an English translation, certified to be correct by an Advocate or a Translator of this Court.

9. When these rules direct or allow any act to be done by, or any notice to be given to, an appellant or respondent, such act may be done by, or such notice given to, the Advocate, or (where authorised in that behalf by the rules of the High Court) the Mukhtear of such appellant or respondent.

Part II—Appeals from Original Decrees.

A—GENERAL.

10. On receipt of the record from the Lower Court it shall be the duty of the Registrar to see that the Paper-book in an Appeal from an Original Decree for the use of the High Court at its hearing is prepared in accordance with the directions given in the following rules.

Provided that the Registrar or the Division Court having jurisdiction over any particular Group may, for sufficient cause shown, pass any special order regarding the preparation of the Paper-book of any particular appeal belonging to that Group.

11. Part I of the Paper-book shall contain the following papers:—

- (a) order-sheet;
- *(b) the plaint;
- (c) schedules, if any;
- *(d) written statements of parties;
- *(e) examination of parties or their agents, etc.;
- *(f) injunctions;
- *(g) orders of attachment, etc., (if any), obtained before judgment;
- *(h) issues framed (if any);
- (i) depositions of witnesses for plaintiff;
- (j) depositions of witnesses for defendant;
- (k) report of Commissioner (if any) with maps, depositions, etc., annexed;
- *(l) the judgment and the decree or order from which the appeal is preferred, exclusive of schedules;
- *(m) memorandum of appeal;
- (n) any other paper, other than an exhibit, on which the decision of the appeal depends.

Part I shall also contain an index which shall be drawn up in accordance with the provision of Rule 47 (ii).

Part II of the Paper book shall consist of the Exhibits.

12. Upon the receipt of the record, the Deputy Registrar shall serve a notice on the appellant requiring him to prepare and deliver to such Deputy Registrar—

- (a) A list of papers (other than those marked * in Rule 11 above, and the exhibits) upon which the decision of the appeal depends and which the appellant desires to have included in Part I of the Paper-book at his expense. Such list shall be called "List A."
- (b) A list of the exhibits to be inserted in Part II of the Paper-book at the expense of such appellant. Such list shall be called "List B."

13. Such lists shall be in the following form:—

Number on the record.	Mark (if any) in the Court below.	Description and date of paper.	Whether the whole or portion and (in case of a portion) what portion to be inserted in the Paper-book.	Page of Paper-book (to be filled in later).

Printed forms of lists will be supplied to the parties or the Advocates entitled to act for them, free of cost, on application to the Forms Clerk.

14. There shall be entered in such lists all documents on which the decision of the appeal depends.

Provided that if it is necessary only to print a portion of any particular document for the decision of the appeal the relevant portion shall be specified.

15. The list of exhibits (List B) should retain their original numbers with the proper page number attached. The documents should be arranged, as far as suitable, in chronological order, mixing plaintiff's and defendant's documents together when necessary, but in all cases documents relating to the same series, or to the same subject (*e.g.*, a series of correspondence, or proceedings in a suit other than the one under appeal), should be kept together. A correct and full description of such documents must be given.

16. The appellant shall, within two weeks after service of the notice required by Rule 12, deliver to the Deputy Registrar both "List A" and "List B" prepared in accordance with the above rules. These lists shall be termed "The Appellant's Lists."

17. On receipt of the lists of the papers to be included in Parts I and II of the Paper-book at the expense of the appellant (List A and List B) the Deputy Registrar shall cause to be prepared estimates of the costs of the preparation of Parts I and II of the Paper-book.

18. As soon as the lists are delivered to the Deputy Registrar by the Appellant, he shall, if the respondent enters appearance on or before the date mentioned in the notice under Order XII, Rule 14, Civil Procedure Code, give notice of such delivery to such respondent. If the respondent fail to enter appearance on or before the date mentioned in the notice under Order XII, Rule 14, and if it shall appear that the said notice has been duly served on such respondent, he shall not without the leave of the Registrar be entitled to file a list of papers for insertion in the Paper-book under Rule 20.

19. Every respondent who has entered appearance shall be entitled to inspect the appellant's list and, at his own expense, to obtain a copy of the whole or of any portion thereof.

20. Every such respondent shall, within two weeks after service upon him of the notice required by Rule 18, deliver to the Deputy Registrar a list in duplicate, in the form in Rule 13, of the papers, other than those inserted in the appellant's lists and relevant to the subject-matter of the appeal, to which such respondent desires that reference shall be made by the Court at the hearing of the appeal, and which shall be inserted in the Paper-book at such respondent's expense. Such list shall be termed "The Respondent's List."

21. The Deputy Registrar shall, within fourteen days after the delivery by the Appellant and the Respondent of their lists respectively, make and deliver to such Appellant and to such Respondent separate estimates of the cost of preparing their portions of the Paper-book. Every estimate for the cost of the preparation of the Paper-book shall include the cost of transcribing, translating and printing, etc., the documents marked * in Rule 11 above.

22. The Appellant and Respondent respectively shall deposit with the Accountant of the Court the amounts due on the estimates served under Rule 21 within the times here specified:—

(a) The amount due for estimating, translating and examining translations, after (in the case of the Appellant) deducting the amount of the initial deposit made under Rule 29 (7), Chapter V within four weeks of the service of the estimate, and

(b) The whole of the remainder within eight weeks of the service of the estimate.

23. If the respondent considers that any paper or portion of a paper which ought to have been inserted in the appellant's lists under the provisions of Rule 14, has been omitted therefrom in violation of these provisions, he may, within one week after service upon him of the notice required by Rule 18 and after giving notice to the appellant of his intended application, apply to the Registrar for an order that such paper or portion of a paper be inserted in the Paper-book of the case at the cost of the appellant.

24. If one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, and the Registrar allows the document to be included, the lists shall clearly indicate the fact that, and the party by whom, the inclusion of the document was objected to.

25. The Registrar, as well as the parties and their legal agents, shall endeavour to exclude from the Paper-book all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the appeal, and generally, to reduce the bulk of the Paper-book as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents.

Note (1)—Ordinarily, a long series of documents, such as accounts, rent-rolls, inventories, etc., should not be printed in full; but the parties or their legal agents should agree to short extracts being printed as specimens.

Note (2)—Unless the Registrar shall otherwise direct, documents produced before the Court of first instance but not admitted in evidence shall not be included in the Paper-book. An Advocate desiring to refer to any such document at the hearing of the appeal before the High Court shall, at any time before the hearing, serve on the Advocate for the Opposite party a typed copy or a typed copy of the translation as the case may be, of any such document to which he desires that reference should be made, and shall also provide 2 such typed copies or typed copies of the translations for the use of the Court. If he fails to do so he shall not refer to such document at the hearing and no adjournment of the appeal will be granted on this account unless the Court otherwise directs.

26. The appellant's and respondent's lists shall each bear a certificate under the hand of the Advocate for such appellant or respondent in the following forms:—

I, A. B., Advocate for _____, do hereby certify that I have carefully examined this list with reference to the provisions of Rule 25, Chapter IX of the Appellate Side Rules, and declare that in my judgment it is necessary to include in the Paper-book of the appeal every document, or portion of a document, included in the list in order to arrive at a proper decision of the appeal.

27. If the respondent do not enter an appearance, or do not deliver the list directed by, and within the time prescribed by, Rule 20, and if no order be made under Rule 23, the Paper-book shall be prepared in accordance with the appellant's lists.

28. When two or more appellants or respondents have the same interest in the appeal, one set of lists only shall be required from all such appellants or respondents. Appellants or Respondents having separate interests shall deliver separate sets of lists. In such cases the principle of Rule 32 shall apply.

29. If any of the papers which must be inserted in the appellant's list or in the respondent's list, was previously printed in a former Paper-book, the fact of its having been so printed must be stated in the list in which such paper is inserted. Such papers shall not be printed unless the Registrar otherwise directs.

30. No paper in the record of the case, which is not inserted in the appellant's or respondent's lists, or ordered to be included in the Paper-book under Rule 23, and printed in the Paper-book of the case or in a previous Paper-book, shall be referred to at the hearing of the appeal without the special leave of the Court. But this rule shall not preclude the Court from referring to any paper to which it considers a reference necessary for the ends of justice.

31. If it subsequently appears that the amount deposited by either party to the appeal is insufficient to defray the cost of preparing his portion of the Paper-book, or a supplementary Paper-book after remand, the Deputy Registrar shall estimate the additional amount required and shall give notice thereof to such party. Such additional amount

shall be deposited by such party with the Accountant of the Court within two weeks after service upon him of such notice. No work in the matter of the preparation of the Paper-book, which is likely to cost more than the sum deposited, should ordinarily be undertaken until such additional deposit has been made, unless the Registrar shall otherwise direct.

32. When separate appeals have been preferred by different persons against the same decree, complete lists of the documents which the parties wish to include in the Paper-book shall be delivered by the parties to each appeal. Common matter shall appear in one Paper-book only, the other Paper-books containing references to the pages of the paper-book in which such common matter appears. In such cases the Deputy Registrar shall, subject to the order of the Registrar, apportion between the parties concerned the cost of preparation in respect of matter common to all or any of the parties. The estimates for the cost of the preparation of Parts I and II of the Paper-books in such cases shall not be served on the parties until such apportionment has been made. This rule shall also apply when two or more separate appeals are preferred in analogous cases.

33. If the appellant fails to deliver his lists of papers in accordance with Rule 16, or if the appellant or respondent fails to make the deposit or additional deposit, required by Rules 22 and 31, respectively, the Deputy Registrar shall lay the matter before the Registrar, who may, in case of default by the appellant, cause the appeal to be set down for hearing; and the Court may, unless satisfied that there was reasonable ground for the default, direct the appeal to be dismissed for want of prosecution, or may pass such other order as may seem proper in the circumstances of the case.

34. The appellant shall, simultaneously with depositing the money referred to in Rule 22 (a) above, file with the Deputy Registrar a declaration stating the name of the Advocate by whom his Paper-book will be prepared; either in accordance with Rule 45 or with Rule 49.

The Deputy Registrar shall thereupon make over one of the respondent's duplicate lists to the Advocate so named, giving the respondent notice thereof.

35. (a) Such Advocate shall be afforded all reasonable access to the original record in order to enable him to make transcripts of the papers and do other acts necessary to the preparation of the Paper-book, but he shall not be entitled to remove such original record from the office of the Deputy Registrar. Certified transcripts of the papers shall be furnished to him, if he so desire, upon payment of the usual rates.

(b) Such Advocate shall himself deal with the original records made over to him, and is hereby prohibited from entrusting them to the care of any other person. For the purpose of translating and copying documents, in any case, he alone will be permitted to have access to the original record of such case.

(c) Such Advocate shall be permitted to utilize the services of one reader or muharrir to assist him in such work. He must, however, himself be present and continuously in possession of the record, and on his leaving the office, the record must be returned to the officer of the Court in charge, and the work of preparing the Paper-book must at once cease, the reader or muharrir leaving with his employer.

(d) In the case of any Paper-book in which a map has to be inserted such Advocate shall be allowed to utilize also the services of a draftsman, who will be allowed access to the record on the same terms as the reader or muharrir.

36. Any Advocate who has practised in the High Court for a period of three years, or who has practised in a Muffassal Court for not less than three years and in the High Court for not less than one year, shall be entitled to prepare a Paper-book under these rules.

Provided that a Division Court, on being satisfied, either on the report of the Registrar or otherwise, that any Advocate has been negligent, incompetent or careless in the preparation of a Paper-book, may disqualify such Advocate from preparing Paper-books for such period as to it may seem proper.

37. An advocate duly authorised to prepare a Paper-book shall be required to make a declaration in writing to the effect that he will himself do the translation work, and, in the case of an Appeal valued under Rs. 10,000, that the editing will be done either by himself or under his direct supervision.

38. Paper-books in Appeals from Original Decrees must be made ready and filed with the Deputy Registrar within the following limits of time from the date when the deposits required to be made by the appellant under Rule 22 (a) above are made, viz:—

(a) when the Paper-book is estimated by the Deputy Registrar to consist of not more than 100 pages—within six weeks;

(b) when the Paper-book is estimated by the Deputy Registrar to consist of more than 100, but not more than 200 pages—within two months;

(c) in any other case—within four months.

39. The time within which the examination of translations should be completed is as follows:—

In the case of Paper-books falling within clause (a) of Rule 38—two weeks.

In the case of Paper-books falling within clause (b) of Rule 38—three weeks.

In the case of Paper-books falling within clause (c) of Rule 38—one month.

On the completion of the examination of the translations, but not before, and provided that the translations have been properly done and accepted, the Advocate preparing the Paper-book shall be entitled to withdraw the amount due to him for such translations.

On the Paper-books being filed, they shall be taxed, and it will be the duty of the Taxing Officer to see that they have been prepared in conformity with these rules.

It shall be the duty of the Examiners of Translations to report through the Taxing Officer to the Registrar any case in which the translations have been carelessly, negligently or imperfectly done, and it shall be the duty of the Taxing Officer to report to the Registrar any case in which the preparation of any other portion of the Paper-book has been carelessly, negligently or imperfectly done. The Registrar, if he thinks fit, will report any such matter to the Court, who may take action under the proviso to Rule 36, and may either in addition to or without taking such action, direct that the whole or any portion of such funds as are lying in the Court to the credit of the account of the Paper-book concerned be withheld from the Advocate in question, and may pass orders for the disposal of the funds so withheld.

When the Taxing Officer is satisfied that the Paper-book has been properly prepared, he shall certify accordingly, and upon such certificate being granted, but not before, the balance of the amount due to the Advocate concerned shall be paid to him on application.

40. When a case is ready for hearing, the Deputy Registrar shall furnish the Advocates engaged on either side with the copies to which they are entitled under Rule 48 or Rule 52. The issue of the Paper-books to the Advocates will be notice to them that the case is ready for hearing.

41. The endorsement on every Paper-book prepared for the use of the High Court at the hearing of the appeal shall furnish the following information:—

- (a) the number of the cause;
- (b) the name of the Judge of the Court below,
- (c) the names of the parties and their Advocates;
- (d) the date of the institution of the suit;
- (e) the date of the Lower Court's judgment;
- (f) the date on which the appeal was filed; and
- (g) the date on which the appeal was heard.

42. In appeals in which the respondent shall not have appointed an Advocate up to the date of the preparation of the Paper-book, an appendix containing the deposition of the serving officer and the return and the remarks of the lower Court as to the service shall be added to the Paper-book either in transcript or translation, according as they may be in English or in the vernacular.

43. The supplementary Paper-book after the receipt of finding of a lower Court in a case referred under Order XLI, Rules 25 and 27, Civil Procedure Code, shall be governed by the rules of this Chapter.

44. Notwithstanding anything contained in these rules, unless the Registrar shall otherwise direct, in appeals below Rs. 5,000 in value in which it appears that if Parts I and II of the Paper-book were printed, the total number of pages contained in the Paper-book would be 20 or less, 12 typed copies of the Paper-book shall be prepared at the cost of the Appellant. In such cases, the Appellant and the Respondent, if the latter enters appearance, shall be entitled to have, free of charge, as many copies of the Paper-book, not exceeding four on either side, as they may have Advocates engaged in the appeal. In any case, they shall each be entitled to two copies. Additional copies over and above those which may be supplied to the parties free of charge under this rule shall be charged for.

B—APPEALS FROM ORIGINAL DECREES VALUED UNDER Rs. 10,000.

45. Paper-books in all appeals valued under Rs. 10,000 shall be prepared by an Advocate duly authorised to act for the Appellant, subject to the translations being examined by a panel of examiners appointed by the Court.

Such Paper-books must be prepared within the period specified in Rule 38 but in calculating the said period the time actually taken in examining the translations shall be deducted.

46. The estimates for the preparation of the Paper-books in such appeals shall state separately the cost of translating, editing, printing, etc., at the following rates:—

- (a) estimating at 10,000 words per rupee;
- (b) translating at 150 vernacular words per rupee, three figures being counted as one word;
- (c) examining translations at 300 vernacular words per rupee, three figures being counted as one word;
- (d) copying at the rates specified in Chapter XIII;
- (e) editing the Paper-book at eight annas a page if it is printed, and at five annas a page if it is typed;
- (f) lithographing, drawing or tracing maps (where necessary)—actual cost;
- (g) printing fee for 24 copies—
 Ordinary matter (without marginal notes)—Actual cost, not exceeding Rupee 1-2 per page.
 Tabular matter—Actual cost.

Note—(1) The above rates are liable to alteration.

(2) The charge for editing includes the charge for indexing if the Paper-book is printed and that for stationery if the Paper-book is typed.

(3) If the document to be translated is in any language other than the vernaculars of Bengal and Assam, a special rate may be fixed by the Registrar.

(4) Each item of cost in the preparation of the Paper-book at the rates specified above should be calculated to the nearest anna (fraction below half an anna being omitted and half an anna or over being reckoned as one anna).

47. The Paper-book for the use of the High Court in such appeals shall be printed and edited in accordance with the following directions:—

- (i) The printed Paper-book shall consist of two parts in the same volume, where practicable, viz., Part I and Part II. Part I shall contain the record of the proceedings in the Lower Court, and shall include all the papers mentioned in rule 11. These should be printed strictly in chronological order, that is, in the same order as the index. Part II shall contain the exhibits and documents relevant to the subject-matter

of the appeal which should be arranged in the manner prescribed in Rule 15, each document to show its exhibit mark and whether it is a plaintiff's or defendant's document (unless this is clear from the exhibit mark). Each Part should be paged at the foot of each page. The heading to each document should consist of the number or exhibit mark and the description of the document in the index with the date, and the corresponding English date must be given if the document bears any other date.

(ii) The index of Part I shall be in chronological order and shall be placed at the beginning of the volume. The index to Part II shall follow the order of the exhibit mark, and shall be placed immediately after the index to Part I. The documents in Part I should be numbered consecutively, while those in Part II should not be numbered apart from the exhibit mark. The index should contain a correct and full description of each document and references to the pages in the printed Paper-book. Whenever any document included in Part I or Part II of the Paper-book is dated according to Bengali fashion, the corresponding English date of such document must be entered in the index.

(iii) All papers which are not in English shall be translated into that language. Such translation and the original English papers shall be arranged and printed in Parts I and II in the order prescribed by the first sub-clause of this rule.

(iv) Maps forming part of a Paper-book shall be included in the index, but shall not be bound up with the other papers in the Paper-book. Such maps shall be drawn or printed on durable paper and they shall form a separate packet with a separate list.

Translations of vernacular phrases or figures that form part of a map must be submitted on a correct tracing of the map in question.

48. There shall ordinarily be printed 24 copies of the Paper-book, but the Registrar may, when necessary, direct a larger number to be printed. The appellant and respondent shall be entitled to have, free of charge, as many copies as they have Advocates engaged in the appeal. In any case they shall each be entitled to three copies.

C—APPEALS FROM ORIGINAL DECREES VALUED AT RS. 10,000 OR OVER.

49. Paper-books in all Appeals valued at Rs. 10,000 or over shall be prepared by an Advocate duly authorised to act for the Appellant subject to the translations being examined by a panel of examiners appointed by the Court and the paper-book being edited by the Court's staff of Editors.

Such Paper-books must be prepared within the period specified in Rule 38 but in calculating the said period the time actually taken in examining the translations shall be deducted. Delay on the part of Editors will be no excuse for extending the time unless the same has been promptly and duly reported to the Registrar and his orders obtained.

50. The estimate for the preparation of the Paper-books in such Appeals shall be prepared in accordance with the particulars in Rule 46 above, except that—

(i) For "eight annas" in clause (e) should be read "ten annas."

(ii) For "24 copies" in clause (g) should be read "64 copies".

CALCUTTA, THE 14TH AUGUST 1929.

RESOLUTION—No. 590Regn.

Read—

Paragraph 13 of resolution No. 1410T.R., dated the 24th September 1917, regarding the formation of the district advisory committees for selection of candidates for appointment as Muhammadan Registrars and Kazis.

Read—

Resolution No. 802Regn., dated the 24th April 1926, sanctioning the constitution of the existing permanent committee for the supervision of Muhammadan Registrars and Kazis for the Bengal Presidency.

Prior to 1918 there was a centralized permanent committee for the entire Province. Under rule I of the rules issued under notification No. 4000Regn., dated the 30th April 1918, local advisory committees were formed at the headquarters of each district other than Calcutta to assist the Registrar in selecting candidates for the posts of Muhammadan Registrars and Kazis. Under rule 3 of the said rules the functions of the permanent committee were restricted to those of an examining board or of an advisory body on general questions, and the bulk of its work in connection with the selection of candidates for the posts of Muhammadan Registrars and Kazis all over the Province (with the exception of Calcutta) was transferred to the district advisory committees.

It has been found, however, that the working of district advisory committees has not been entirely satisfactory, and after consideration, the Government of Bengal have decided to revert to the old system of having a centralized permanent committee for the whole Province and to abolish both the district advisory committees and the existing permanent committee. All questions of appointments of Muhammadan Registrars and Kazis which were hitherto being dealt with by the existing advisory committees will henceforth be dealt with by the permanent committee hereby constituted.

2. The permanent committee shall consist of five or more members appointed by the Local Government. Ordinarily the number of members should not exceed 12, but the Local Government shall have power to co-opt

one or two more, if necessary. The appointment of members of the committee will be notified in the *Calcutta Gazette*. The Inspector-General of Registration shall be the *ex-officio* President of the committee. Members shall hold office for a term of three years and shall be eligible for re-appointment on the expiry of the term.

3. The Government of Bengal are accordingly pleased to appoint the following members to constitute the first permanent committee mentioned above:—

The Inspector-General of Registration, Bengal, President (*ex-officio*).

Mr. A. F. Rahman, B.A. (Oxon.), M.L.C. (Jalpaiguri).

Nawab Khwaja Habibulla, M.L.C. (Dacca).

Khan Bahadur K. G. M. Farouqi, M.L.C. (Tippera).

Dr. A. Subrawardy, Ph.D., M.L.A. (Midnapore).

Khan Bahadur Haji Khundkar Fazlul Haq, B.C.S. (retired) (Murshidabad).

Shams-ul-Ulama Khan Bahadur Dr. M. Hidayat Husain, M.A., Ph.D., Principal, Calcutta Madrasah (offg.).

Maulvi Agha Muhammad Kazim Shirazi (Calcutta).

Secretary, Central National Muhammadan Association (Calcutta).

Maulvi Abdul Karim, M.L.C. (Calcutta).

Maulvi Abdul Huq Dobash, Merchant (Chittagong).

Haji Chaudhury Muhammad Ismail Khan, M.L.A. (Barisal).

The duties and functions of the committee will be in accordance with the rules approved by the Local Government.

Order.—Ordered that this resolution be published in the *Calcutta Gazette*.

Ordered also that copies of this resolution be forwarded to the Inspector-General of Registration, Bengal, and to all District Registrars for information.
